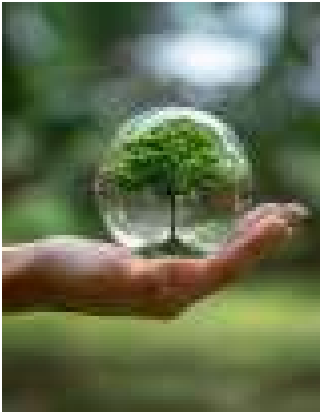
NESPRESSO
Savor the unique taste of
Nespresso coffee and elevate
your in-room moments.

Our dispensers
consume 24% less plastic
than 50ml bottles.



Nirvana Hotels develops its sustainability-focused practices by prioritizing guest comfort and environmental sensitivity:

• In a refined commitment to environmental stewardship, our luxury sanctuary employs elegant, refillable amenity dispensers—curating a 24% reduction in plastic consumption compared to conventional 50 ml single-use vials. Liquid soaps, meticulously selected for their minimal ecological footprint, embody our dedication to waste minimization and enduring sustainability, ensuring every gesture of indulgence leaves the lightest possible imprint on the planet.

• Guests are graciously empowered to orchestrate the cadence of their linen refreshment, thereby masterfully curbing water and detergent indulgence. By confiding their bespoke preference to their personal assistant, each guest becomes an elegant custodian of nature's serenity, ensuring opulent comfort harmonizes seamlessly with planetary preservation.

• Guests are elegantly invited to signal their towel preferences with effortless grace: suspend those destined for reuse upon their dedicated hanger, and allow those seeking renewal to repose upon the bath or bedroom floor. This refined ritual deftly averts superfluous water and detergent use—transforming a simple gesture into a poised act of environmental reverence.

• In a symphony of mindful elegance, we have distilled printed materials within guest sanctuaries to an exquisite minimum—preserving forests with every page spared. A discreet QR code graces each suite, unveiling a digital tapestry of delights: the room service menu, essential room intelligence, safe usage, and exclusive access to Cosmos Theatre and Cosmos Moonlight events.

• Every Nespresso capsule savored in room embarks on a virtuous encore: meticulously segregated for recycling, its spent coffee grounds are alchemized into biogas—illuminating the world anew as renewable electricity, while pristine aluminum shells are reborn through expert reclamation. In exquisite partnership with Nespresso, this closed-loop ritual elevates indulgence into an act of planetary reverence, where every sip resonates with responsibility.

• In our cycle-friendly retreats, recycled Nespresso capsules are reborn as bicycle frames—transforming coffee indulgence into sustainable motion.

• To preserve fruit freshness and eliminate waste, long-stay guests receive elegant fruit request cards, ensuring only desired bounty arrives, optimizing resources with refined precision.

• Through the Nirvana Hotels application, an exquisite digital concierge guests glide effortlessly into a realm of bespoke intelligence: every nuance of our sanctuary, from curated dining rituals and spa sanctuaries to immersive events and insider revelations, unfurls at their fingertips. This paperless process banishes printed ephemera entirely, weaving seamless sophistication into environmental reverence where luxury whispers and the planet listens.

These exquisite practices reflect Nirvana Hotels' unwavering commitment to environmental stewardship and sustainability—elegantly shared with our guests as profound steps toward a more enlightened world.

and personalised care for your companions. A dedicated pet accommodation reservation is required for both options and must be arranged in advance through the KHG Call Center or your preferred Travel Agency. Upon booking, you will receive comprehensive details of the Nirvana Hotels Pet-Friendly Concept, including applicable fees, requirements, and our complete set of guidelines to ensure an exquisite experience for all.

Nirvana Pet-Friendly Beach:

Bask in the golden sun and turquoise waters together—our dedicated Pet-Friendly Beach is reserved exclusively for you and your fur baby to play, relax, and create unforgettable memories by the sea.
Our promise, every guest whether they arrive on two legs or four deserves nothing less than an extraordinary five-star holiday. We look forward to pampering the cutest ones with tails just as attentively as we pamper you. For reservations or to learn more about bringing your beloved companion, please contact the KHG Call Center or your Travel Agency at your earliest convenience. Limited pet-friendly accommodations and Luxy Pet Hotel suites are available and fill quickly. We are looking forward to welcome your entire family.

Pet Policy at Luxy Pet Hotel:

We are delighted to welcome your cherished companions to our dedicated Luxy Pet Hotel, an exclusive in-house sanctuary designed with the utmost care and sophistication for discerning four-legged guests.

Accommodation for Pets:

Pets are warmly accepted in our Luxy Pet Hotel, which operates as a fully separate and secluded facility, ensuring complete privacy and tranquility away from the main guest areas. Admission is subject to:

- Prior reservation and written confirmation (a standard room reservation does not automatically include pet accommodation)
- An additional daily pet fee, determined by the size and breed of your companion
- All pets must remain on a leash, in an approved carrier, or in a pet stroller at all times when outside the Luxy Pet Hotel or your designated pet-friendly suite.
- Pets are kindly requested never to enter restaurants, spa areas, pools, or any public spaces not explicitly designated as pet-friendly.
- A separate and specific reservation for the Luxy Pet Hotel is mandatory, even when a guest room has already been secured. We recommend booking well in advance, as space in this boutique pet facility is limited and highly sought-after.
- Upon confirmation, detailed information regarding vaccination records, health certificates, and any additional requirements are requested to ensure the comfort and safety of all guests—both two-legged and four-legged.We look forward to extending our signature hospitality to every member of your family.
