TESTIMONIALS

Really nice facilities, everything was super clean and spacious. Beautiful and tranquil beach area with a lovely deck out to sea. Kids club is amazing and has lovely inside and outside areas that my son enjoyed. Spa was lovely. Gym well equipped. Food was great - a huge selection of cuisine each day. Omer and Evelina were very attentive to any requests.

- Lucinda Beasley

A wonderful hotel, which we have visited for the third time: A large green area with a separate park on the island, a magnificent beach with olive trees, new and spacious rooms with terraces. Even when it is very full, there is enough space for everyone. Attentive staff, 24/7 service. Special thanks to managers Anastasia and Omer for their responsive attitude and willingness to promptly resolve any issue.

- Sergei Chernobaev

We stayed at Rixos Premium Bodrum as a family with our 9-month-old baby, and it truly exceeded all our expectations! Before the trip, I was quite anxious about traveling with such a small child, but all my worries disappeared thanks to the incredible care and support of Asya Atmaca. She was always there to help us with every detail and made our stay completely stress-free.

- Lucy

Another excellent stay at Rixos. Staff were friendly polite and attentive throughout as always. Hotel / rooms / dining all immaculately clean. Food was delicious. Kids club were fabulous with looking after our little boy. Anything we needed staff helped without hesitation. Nothing is too much trouble. We felt welcome from the second we arrived. Would highly recommend and will always return.

- Sian

This is our second visit to Rixos. As always, it feels like you're in a fairy tale. This is nature, the sea, the olive grove, and the panoramic view from the balcony is worth a million. And of course, the atmosphere in the hotel is created by people. I would really like to highlight our assistants Anastasia and Omer. What would we do without their constant help and exceptional attention? This included ordering a buggy to various locations, immediate responses to our questions, and especially organizing my anniversary celebration. Ordering a cabana for the whole day, welcome champagne and cake from the hotel - it was very touching and will be remembered forever. Our holiday was a success, so we are grateful to the entire hotel staff for the warm welcome.

- Svitlana Us
